Sherrie (Eve)
Well you made it through the year without being assisted. DARN!
Will times have been rough (Doon) but we made it! It's been great being offices together but it's been even greater being friends. Always remember the great times we've had with the bushes, the waitress to todo to! (I think), Mrs. Greenhill, Sr. Margaret, Bill Charlie, (faint! faint!) and all the gang. You've really been a great friend and I'll always remember the great times we've had.
Thanks for being my friend

I am glad that you're running against me cause I know I'll lose. I am glad I got to know you better cause you really have a good personality and you are really nice. Remember to eat a lot so you can gain some weight, but you have such a cute figure. Thanks for being so nice. Hope to see you in the summertime.

how much your friendship means to

PEOPLE

SIERRE,

ALL THE WORDS IN THE WORLD COULD NOT TRULY
EXPRESS THE INTENSE FEELING THAT LIES INSIDE MY MIND,
BODY AND SPIRIT. BUT I'M STILL SEARCHING. I HAVE DESIRED
THE INSPIRATION IS YOU. I HAVE CHANGED. I HAVE GROWN-
BECAUSE OF LOVE. I WISH THAT YOU COULD SEE ALL THE
THINGS INSIDE MY HEAD. RIGHTEOUS! GOD, SIERRE MY LOVE
FOR YOU JUST CANNOT BE PUT INTO A YEARBOOK - OR ANY
BOOK. NOBODY WOULD UNDERSTAND IT ANYWAY. IF YOU HAD
A COUPLE OF HUNDRED YEARS TO SEARCH INTO MY EYES,
THEN YOU WOULD SEE. BUT WHO NEEDS THAT LONG WHEN WE
CAN'T FOREVER - AND ONE DAY AFTER. WORDS ARE ONLY AN
OUTWARD EXPRESSION OF AN INWARD FEELING. I EXPERIENCE
YOU WITH ALL MY SENSES. I AM AWARE OF YOU AND YOUR STORY.
FOR YOUR STORY IS MY BEST SELLER. IT WILL TAKE ME
FOREVER TO READ - AND ONE DAY AFTER TO GROW TIRED OF -
IF I DO AT ALL. IN ONE PAGE LOOK OF AN EXPRESS LOVE.
AN ENDLESS LOVE. SIERRE DO YOU KNOW JUST HOW I FEEL?
I HOPE YOU SENSE SOME OF IT. I HOPE I HAVE ONE THE SAME
FOR YOU. IT WILL GROW AND FILL OUR LIVES - NOT DESTROY BUT,
CREATE. LOVE, LIKE PATCHWORK ON A ROOF KEEPS THE RAIN
FROM LEAKING THROUGH. NOT JUST ANY LOVE - OUR LOVE.
I CAN'T HELP BUT BE PROUD OF OUR RELATIONSHIP. ITS THE
MOST MEANINGFUL ONE I HAVE EVER KNOWN. I'M SORRY IF IT
LOOKS PAST TENSE. ITS NOT. ITS NOW AND TOMORROW. AS
FAR AS I CAN SEE. AS FAR AS THE EYE CAN SEE. IN PAST
YEARS WHEN I WOULD SIGN A GIRLFRIEND'S YEARBOOK, IT

WOULD TURN IT TO A BULLSHIT SESSION. IT MEANT AS MUCH TO ME AS "BEST WISHES" MEANS TO YOU - COMPARED TO LOVE. I CAN'T EXACTLY CALL YOU MY GIRLFRIEND, OR ANY OTHER WORD FOR THAT MATTER. THAT'S NOT MEANINGFUL ENOUGH. LOVE IS CLOSER BUT NOT CLOSE ENOUGH. DO YOU SEE? THERE IS NOT ONE WORD. I DO NOT EXPECT ANYTHING IN RETURN. BUT I GET MORE. I WILL CONTINUE TO GIVE. I ASK YOU TO ACCEPT WITH AN OPEN MIND AND AN OPEN HEART. FOR THERE ARE MANY RESOURCES WITHIN ME THAT HAVE NOT BEEN TAPPED. WHEN YOU FINISH READING THIS IT WILL BE IN THE PAST. BUT THE FEELINGS IS OMNIPRESENT.

EVERY HAPPY ENDING HAS GOT TO HAVE A START.

... AND IT'S ONLY THE BEGINNING OF WHAT I WANT TO FEEL FOREVER.

WHAT IF I SHOULD SAY I LOVE YOU?
WOULD YOU WALK WITH ME AWHILE?
I WOULD WALK A MOUNTAIN HIGH,
TO BE WITH YOU - MY LADY.

I SEARCH THE DEED IN YOUR EYES.

THANK YOU FOR SPEAKING WHEN I NEEDED TO LISTEN
THANK YOU FOR LISTENING WHEN I NEEDED TO SPEAK
THANK YOU FOR BEING PATIENT WHEN I WAS NOT
THANK YOU FOR UNDERSTANDING WHEN I TRIED TO YOU
THANK YOU FOR BEING MY LADY.

- THANK YOU FOR YOU -

... AND I LOVE HER.

Fradd is one of the most beautiful
things in the world" mary

I consider you my friend but I kind of
wish we could be awsome better friends.
Whenever I see you, you are always smiling.
Keep smiling, you're beautiful, and if you always
smile, god will suddenly realize, if you
look around, how many million of people smile
back. You did a fantastic good as Class President.

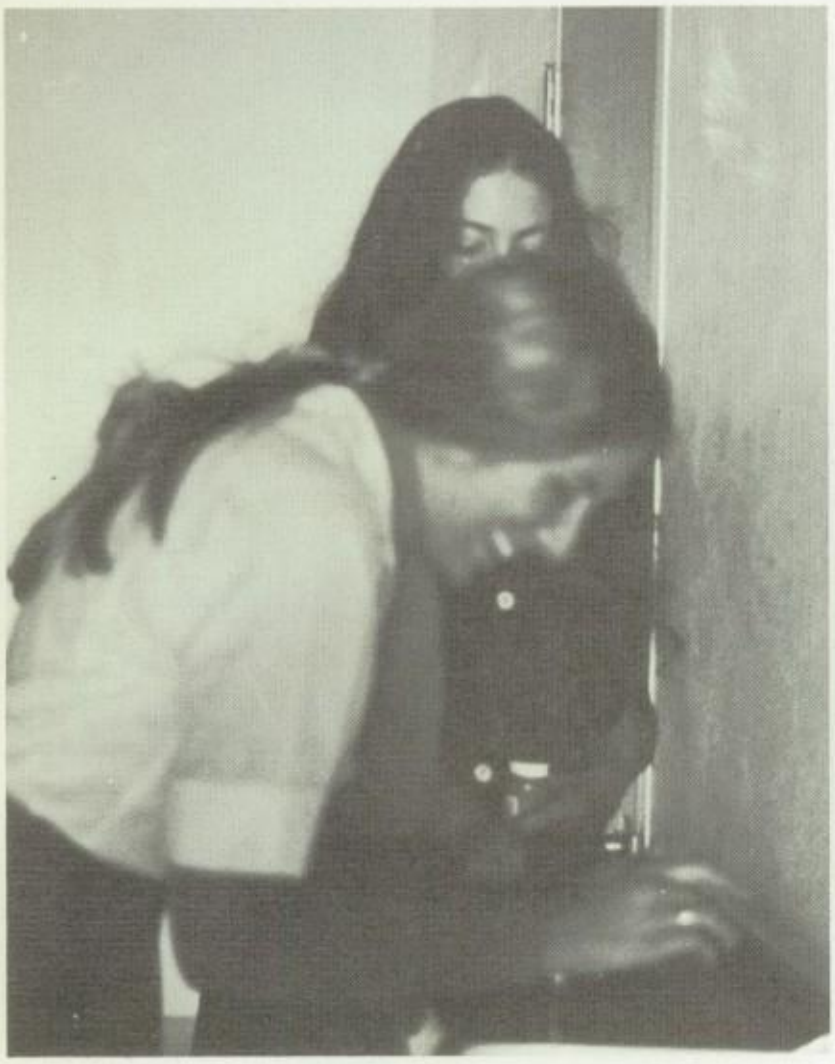
The House of Bernarda Alba



So many things have changed at Providence this year that the Esprit Staff wanted the Yearbook to somehow reflect this spirit of change. We therefore chose as the theme for Esprit '72 . . . Revolution.

We wanted to say that there is a revolution that is fought without guns- the king of revolution that comes with new ideas. Just as the wheel revolutionized motion, and the bicycle transportation, so Providence is changing the concept of education. It is more than a school—it is a "learning center".

We are very fortunate to have people like Sr. Rebecca, Sr. Kathryn and the fine faculty members that are here at Providence, people that believe in education and students.

As is not the case in most schools, the faculty and administration here are most times the initiators of change and most vehemently support changes made by the students. Their constant searchings for new ideas and their talent for looking at old concepts in a new way have helped providence become the place it is.

This is what we tried to show in Esprit. The book this year is indeed changed in format . . . it still, however, serves the purpose of reviewing the events of the school year but hopefully sheds a new light on Providence.

We knew of course, that as a student body you are very open to change and would readily accept this book as you have accepted and helped initiate so many changes in the past.

There are many people here at Providence to whom I owe a great deal, to thank them all individually would take much too long . . . so I would like to just give much love to Lisa Heebner, Kit Harter, Paul Murray, Jackie, Sr. Mary Hawkins, the entire Esprit Staff and all my lovely friends.

To the Providence community I offer Esprit 1972. "Well you know, we're all doing what we can." Deb Ventura

Many times, I find it extremely hard to express myself so that the true meaning of my words will be understood and hopefully appreciated. At this time I feel the need to express my feelings to so many people. I only hope that they are able to grasp the warmth and the love that surround these words.

Providence has been a time in my life—a time in which I have truly grown and matured. It has been a time that has given me much and I only hope that I have left some things of value behind.

It has been a good year; it has been a good four years, but now I must let go. However, in letting go, I will still remember. I will remember the good and the bad; the happy and the sad; the many crazy things that I have done here, besides the serious times, but most of all I will remember the people. For it is the people who have made all of these things memorable.

Sister Rebecca, I thank you for understanding; for knowing me and having faith and confidence in me. It meant so much to know that you trusted me to do the right thing.

Karen, Diane, Chris, and Rosemarie, I thank you for your support and your constant help. Without these things, I would have accomplished nothing.

Sister Mary, I thank you for listening and taking the time to explain. You always had a way of saying something that caused my day to be brighter.

Father Burke, I thank you for your laugh and all your crazy jokes. You always made me do one of my favorite things—smile.

Debbie, I thank you, for being you. Even though we always pretended like we weren't friends, I always knew that we were.

I would like to thank my many close friends for being the warm and loving people that they are. You're all beautiful and I love you for putting up with me.

I would like to thank the faculty for being so open and willing to change. It is because of you that Providence is an interesting place in which to learn.

I would also like to thank the students for caring about Providence. You made everything worthwhile.

Last of all, I would like to thank two very special people—my parents. Their interest and concern, their love and understanding, have guided me throughout my high school years. It has been their teaching that has helped me to reach out. I love you both very much and I thank you for loving me.

I hope that all of you will find happiness. I know that sometimes the search can be tedious but eventually you will find what you are seeking. Always continue to reach out to other people—the world is full of love and now is a beautiful time for loving.

Much Happiness, Jackie

Star spangled seniors - you're TOPS!!
P.H.S. won't be the same without you!

TO THE SENIOR CLASS:

For your sunshine and candy-apple
laughter,

Your Rainbows at dawn.

The shade of tears at high noon,
the new penny moon of your wisdom.

For the smiles and rainy days—
The timeless feeling of sifting
sand that going away brings.

For the first flower of Spring—
And the last snowflake of Winter.

For these and experiences that melt
Like Cotton Candy in your mind.

We Thank You.

Every day is a Carnival—
Knowing you're near . . .

And you are in the prime
Of your Sunshine Days.

All our Love,
Sophs.

Big Sisters:

The soul can rise from the earth
into the sky, like a bird
aware of its Freedom,
not feeling the barrier of Man,
But the Beauty of Mand and Love—
which is Eternal.

Reach out and grasp that Everlasting
Love.

Set your goals, but don't limit them.

Thanks for your Smiles and Love.

Your Little Sisters

FOR YOU: WE LOVE:

And his heart moved with compassion,
And he said:

"Life is older than all things
living,
even as beauty was winged ere
the beautiful was born on earth—
and even as truth was truth,
ere it was uttered.

Life sings in our silences and
dreams in our slumber,
even when we are beaten and
low,
Life is enthroned and high.

And when we weep, Life smiles upon
The day,
And is free even when we drag our
chains . . ."

Goodbye with love.

As we smile upon these days
of life

PLUMBING & HEATING

The old King felt refreshed, clear-headed, almost ready to begin again.

There would be a day - when he would come back to Cramarye with a new Round Table which had no corners, just as the world had none - a table without boundaries between nations who would sit there to feast

The hope of mating it would lie in culture If people could be persuaded to read and write, not just to eat and make love, there was still a chance that they might come to reason.
